West Swain 4-H Club has been busy this fall with their community service projects. They recently donated food to the food pantry. The five members pictured above collectively earned $120 doing extra chores at home so they could go shopping for food items to donate to the Bryson City Food Pantry.

The Club would like to thank Mr. Kevin at SuperSaver for the donation of four cases of corn, several pounds of sugar and a case of macaroni and cheese to add to their own donation which made quite a haul.
