PASSWORD RESOURCE

Family Password Options

Option 1

Passwords can be reset if needed. Click the “Reset Password?” link.

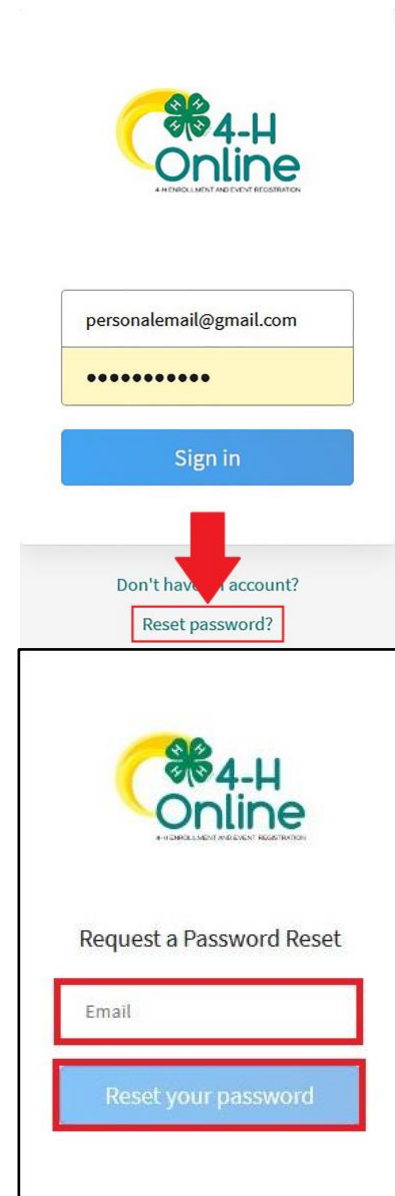

Type the email address. This information is case sensitive so make sure to type it exactly how it was originally submitted.

Click the “Reset Your Password” button.

A message and new password will be sent to the family email address on the account. You may need to check your spam or junk mail folder for an email from the 4HOnline.

See “Option 2” if:

1. You do not receive your password within 10 minutes after submitting this request.
2. If you receive a message that an “No account with that email address has been found”.

The screenshot shows the 4-H Online login page. At the top is the 4-H Online logo. Below it are two input fields: one for the email address (containing 'personalemail@gmail.com') and one for the password (masked with dots). A blue 'Sign in' button is below the password field. A red arrow points down to a grey box containing the text 'Don't have an account?' and a red-bordered link 'Reset password?'. Below this is a white box with the 4-H Online logo, the text 'Request a Password Reset', an 'Email' input field with a red border, and a blue 'Reset your password' button with a red border.

Option 2

Contact your local 4-H office for assistance. The county office can perform a member search to update a family email address.
