ARBOR DAY CELEBRATION *FREE Tree Seedling Give-Away!*

10:00 am – Noon

Bryson City Veteran's Monument
(in front of Old Courthouse/Heritage Museum)

2:00 pm – 4:00 pm

Mark Watson Park (Constitution Square), Sylva, NC

Arbor Day is an annual observance that celebrates the role of trees in our lives and promotes tree planting and care.

As a formal holiday, it was first observed in 1872, in Nebraska, but tree planting festivals are as old as civilization. The tree has appeared throughout history and literature as the symbol of life.

Join us on April 26 for our **FREE Elderberry Seedling Give-Away!**

The American Elderberry is a large, spreading shrub that flowers in clumps of small berries which are edible once autumn arrives. The ripened berries are great for making pie, wine and jam. This shrub is perfect for naturalizing wide open areas such as a farm field and provides excellent cover for wildlife.

LEOPOLD EDUCATION PROJECT (LEP)

Available Upon Request

The Leopold Education Project (LEP) is a Conservation Education training for anyone (youth & adults) that wants to expand their conservation practices. This 5 hour workshop teaches you how to observe, reflect and appreciate the land and use curriculum to "Read the Landscape." It is based on Aldo Leopold's "A Sand County Almanac" book.

LEP gives citizens the background to reach decisions based on a land ethic.

QUALLA-T CUSTOMER SERVICE & HOSPITALITY

Available Upon Request

Refine your customer service and hospitality skills that you use every day. Learn how to build and maintain a positive visitor friendly business atmosphere and community.

QUALLA-T CUSTOMER SERVICE integrates Cherokee and mountain values and attitudes into your workplace as a basis for providing excellent customer service.
